Office of the Vice President for Research

Subject: Limited Competitions: Fiscal Year 2019 DoD Research and Education Program for  
Historically Black Colleges and Universities and Minority-Serving Institutions (HBCU/MI)  
Equipment/Instrumentation (W911NF-18-S-0006)

Date: May 15, 2018

The Department of Defense (DoD) is soliciting applications for the acquisition of equipment/instrumentation under the Fiscal Year 2019 Research and Education Program for HBCU/MI. The Research and Education Program is designed to enhance the research capabilities of HBCU and MI and strengthen their STEM education programs. The purpose of funding under this FOA is to (1) support the acquisition of equipment/instrumentation to augment existing capabilities or to develop new capabilities in **research areas of interest to DoD**, and (2) attract students to pursue studies leading to STEM careers. Information about these research areas is available at the following websites:

**Army Research Office:** <https://www.arl.army.mil/www/pages/8/W911NF-17-S-0003.pdf>

**Office of Naval Research:** <https://www.onr.navy.mil/en/Contracts-Grants/Funding-Opportunities/Broad-Agency-Announcements> (BAA N00014-18-SB001)

**Air Force Office of Scientific Research:** <http://www.wpafb.af.mil/Welcome/Fact-Sheets/Display/Article/842026/>

Individual awards will range from \$100,000 to \$600,000 over a 12-month performance period.

Proposals are due to the sponsor by 4:00 p.m. ET on August 16, 2018. Please see <https://www.grants.gov/web/grants/view-opportunity.html?oppId=304839> for additional information.

**This is a limited competition; no more than three (3) applications are allowed per institution.**

For the UNM limited competition, submit a 5 page narrative that clearly describes (1) the equipment to be acquired; (2) how the equipment will augment existing capabilities or provide new capabilities; (3) the academic departments that will use the equipment/instrumentation; (4) how the equipment would advance a specific research of interest to DoD (make reference to priorities and agency identified on the websites listed above); (5) how it will enhance the ability of the institution to encourage students to pursue degrees in STEM fields, including how it will be used in research-related education; and (6) the plan to service and maintain the equipment after the 12-month period of the award.

**Please submit your 5-page preproposal (plus abbreviated budget and 2-page CV for all personnel; all documents in a SINGLE PDF file, 11-point font) by NOON on Wednesday, June 13, 2018 to [limited@unm.edu](mailto:limited@unm.edu) with the subject line indicating: DOD-HBCU/MI - your name.** No late submissions will be considered.

Should you have any questions please feel free to contact us at [limited@unm.edu](mailto:limited@unm.edu).
