WELCOME FROM THE DEAN

Welcome to our 2026 Student Annual Awards ceremony and reception. At the end of every Spring semester, we gather to celebrate our outstanding students and community. As dean, I get to meet so many incredible students whose hard work makes our School greater each and every day. I'm so grateful for the opportunity to honor them with you all today.

Last year we began providing monetary awards to our student annual award recipients as a way to honor their hard work. If you are interested in supporting this initiative in future years, please chat with one of our development officers during our reception in Stamm Commons immediately following our ceremony.

As we wrap up another eventful year, I'd like to say thank you to the wonderful faculty and staff across the School of Engineering who empower our students to succeed. Thank you for all you do.

ABOUT OUR AWARDS

Thank you for joining us in this celebration of our hardworking students.

Outstanding students are selected based on a variety of criteria such as GPA, research and service to the School, depending on the department.

We look forward to gathering at the end of the Fall semester to honor and celebrate our outstanding staff and faculty.
