

**School of Engineering (SOE) Scholarships
(Endowed, Non-Endowed and other Corporate/Private SOE Scholarship Funds)**

- APPLICATION FOR UNDERGRADUATE & GRADUATE STUDENTS -

Incoming Freshman (current H.S. Seniors): Must complete the SOE Incoming Freshman Scholarship application.

Selection Timeline

APPLICATION POSTMARK DEADLINE: JUNE 1st (annually) EXTENDED TO: JUNE 22

Application Processing and Selection: *During June-July months after applying*

Award Notification: *By August 31 (for the fall semester)
By January 31 (for the spring semester)*

Minimum Eligibility Requirements

1. Student must be admitted in the UNM School of Engineering (SOE) by the time of application. **Transfer students admitted after the application deadline, must contact the scholarship manager for further information.
2. Student must demonstrate academic ability:
Current (Continuing) SOE Student: Most recent academic transcript will be evaluated and student must be making reasonable progress toward any degree program in the UNM School of Engineering (this includes students in the SOE General Engineering/Pre-major Program).

Students in the Departments of Civil Engineering, Computer Science, Chemical & Biological Engineering, Electrical & Computer Engineering, Mechanical Engineering OR Nuclear Engineering: You **DO NOT** need to submit a separate scholarship application for your departmental scholarships. A copy of the SOE scholarship application submitted by June 22 will be sent to your respective academic department to be reviewed and considered for possible additional departmental-specific scholarships.

Students in the NSMS Graduate Program or Optical Science Program at UNM: You may be eligible for SOE Scholarships under this announcement if your major advisor is a tenure or tenure-track faculty member in the School of Engineering at UNM.

New Fall or Spring Transfer Student: Academic transcript from the most recent school(s) attended will be evaluated.

Selection Process Information

- **Scholarships Requirements:** Once you submit a complete application package, you will be considered for all possible scholarships offered by the School of Engineering under this announcement. There are several MERIT-BASED Scholarships, but some scholarships may have more specific requirements (such as: be financial need eligible, be a New Mexico Resident, be a full-time student, be a graduate or an undergraduate student, etc.) Eligibility for each scholarship will be determined based on the information provided in your application and a thorough evaluation of all supplemental materials submitted.
- **Selection:** Scholarship recipients' selection will be determined by the SOE Selection Committee (Representatives from all SOE Academic Departments or ESS in the case of Incoming Freshmen), and recipients will be notified via e-mail throughout the month of August.
- **SOE/UNM Admissions Status:** As part of the scholarship pre-screening process, SOE officials will review applications received to verify UNM and SOE admissions status.
- **Financial Need:** SOE Scholarship Officials will evaluate your need based on the records from the UNM Financial Aid system AND the financial information provided in your application.
